Experience

Internship as a Software developer - iGeek Infotech (India)

May 2024 - August 2024

- I developed and integrated RESTful APIs using Node.js and MongoDB.
- Gained understanding of system architecture, deployment processes, and backend troubleshooting.

Internship as a Python developer - Qubicle AI (India)

November 2023 - January 2024

- Worked with data analysis libraries in a Linux-based environment. Gained experience in script-based automation and technical debugging.

Internship - UX/UI designer - Enacton Infotech (India)

October 2024 - March 2025

- Developed understanding of how backend and frontend layers interact within system architecture.
- Collaborated with product teams to evaluate and refine designs

Projects

API Creation for E-Commerce Platform

- Programming Language - JavaScript
- In this project I have used Node Js framework for generating backend code and used MongoDB database. I followed MVC (Model-View-Controller) Architecture for managing my code structure.

Real Estate Price Prediction Software

Programming Language - Python

- In this project I was part of the data science team and my responsibility was to clean & visualize data by the use of Numpy (for array manipulation) , Pandas (data extraction) , Matplotlib and Seaborn (Visualization).

Skills & Tools

- Programming Languages: HTML | CSS | JavaScript | Python
- Databases: MongoDB | MySQL
- Operating Systems: Windows Server | IOS
- Networking Tools: Basic knowledge of TCP/IP | VPNs | SSH
- Automation/Monitoring: Git
- Other Software Tools: NodeJs | Python Data Science Libraries | Visual Studio Code | Jupyter Notebook | PyCharm | Figma | Adobe XD | Microsoft Office
- Soft Skills: Great interest in IT technologies | Analytical thinking | Technical enthusiasm | Self-motivated and independent | Communication and organizational skills

Education

Masters in Computer Science - University of Paderborn (Germany)

April 2025 - Present

Bachelors in Computer Engineering - Gujarat State University (India)

June 2021 - May 2024

Grades : 1.25 / 5 (Scale 1: very good to 5: failed)

Language

- **English** (C1 Level - Fluent English Communication)
- **German** (A2 Level - Improving toward B1 for professional use)
